MASTER AI PROMPT LIBRARY (CATEGORIES 01 TO 06)

51 Parameterized Copy-Paste Prompts: Research, Customer Psychology, Ideas, Creation, Polish & Design

Category 01: Problem Research & Market Mining (Prompts 01–08)

P-01

Acute Daily Frustration Miner

Act as a market research analyst. I am exploring [INSERT NICHE/AUDIENCE]. Identify the top 5 repetitive, time-consuming daily bottlenecks they struggle with. For each, describe the daily trigger, estimated time lost per week, and why free Google tutorials have failed to solve it.

P-02

Reddit & Forum Pain-Point Extractor

Simulate an extensive scrape of subreddits, Facebook groups, and Quora threads related to [INSERT TOPIC]. Extract 4 verbatim complaints showing the raw emotional frustration users express. Identify the exact digital tool or checklist they are begging someone to build.

P-03

Competitor Negative Review Gap Analyzer

Analyze common complaints found in 2-star and 3-star reviews of existing bestselling books, courses, and guides on [INSERT TOPIC]. What do buyers criticize as "too vague", "too theoretical", or "missing practical templates"? How can a new digital asset fill these gaps?

P-04

Financial & Time Bottleneck Quantifier

For [INSERT TARGET AUDIENCE] dealing with [SPECIFIC PROBLEM], calculate the financial and time cost of leaving this problem unsolved for 6 months. Frame this in lost earnings, wasted tool subscriptions, and lost productive hours.

P-05

Painkiller vs. Vitamin Classifier

Evaluate the problem of [INSERT PROBLEM CONCEPT] for [INSERT AUDIENCE]. Is this currently perceived as a discretionary "Vitamin" (nice to have) or an urgent "Painkiller" (must solve now)? If it leans toward a Vitamin, how can I reframe the core hook into an urgent Painkiller?

P-06

Industry Myth & Dogma Buster

What are 3 commonly accepted "rules" or "best practices" in [INSERT INDUSTRY/NICHE] that are actually outdated, ineffective, or harmful for beginners? What is the modern, contrarian approach that works 3x faster?

P-07

Amateur Workaround Identifier

What messy, manual workarounds (e.g. duct-taped spreadsheets, scattered Notion notes, copy-pasting from 10 websites) does [INSERT TARGET AUDIENCE] currently use to handle [TASK]? How can 1 clean downloadable asset replace all of them?

P-08

Urgency & Seasonality Audit

Analyze the urgency triggers for [INSERT TOPIC]. Are there specific seasonal dates, financial deadlines, or career milestones (e.g., tax season, appraisal quarter, new year) that make buyers 5x more likely to buy an immediate digital fix?

Category 02: Customer Research & Psychology (Prompts 09–16)

P-09

Deep Psychographic Avatar Generator

Build an exhaustive psychographic profile for [INSERT BUYER, e.g., overworked freelance designer]. Detail their internal late-night anxieties, career imposter syndrome, secret aspirations, and what past bad purchases make them skeptical of new guides.

P-10

Customer Language & Slang Extractor

Create a table of 10 phrases [INSERT TARGET AUDIENCE] uses when casually speaking with peers about their frustrations with [TOPIC]. Contrast this with formal academic marketing jargon to show how to speak in their authentic voice.

P-11

Skepticism & Objection Predictor

Imagine a highly cynical, budget-conscious [INSERT AUDIENCE] lands on a sales page for a \$15 (Rs. 499) digital toolkit solving [PROBLEM]. List their top 5 silent subconscious objections (e.g., "I don't have time to read", "Will this work in my situation?") and how to answer each.

P-12

Empathy Mapping Grid

Construct a 4-quadrant Empathy Map for [INSERT AUDIENCE] dealing with [PROBLEM]: (1) What they Say & Do publicly, (2) What they Think & Feel privately, (3) What they Hear from influencers and peers, (4) Pains and Gains.

P-13

Buying Trigger Event Identifier

What specific "Breaking Point Event" typically triggers [INSERT TARGET AUDIENCE] to finally stop procrastinating and buy a solution for [PROBLEM]? (e.g., getting yelled at by a boss, having a client cancel, looking at a credit card bill).

P-14

Sophistication Level Assessment

Evaluate [INSERT TARGET AUDIENCE] using Eugene Schwartz's 5 stages of customer awareness for [TOPIC]. Are they Problem-Aware or Solution-Aware? Provide the exact headline hook style needed to address their specific awareness level.

P-15

winningness to pay stress-test

Does [INSERT AUDIENCE] have disposable income and a track record of spending \$10 to \$40 on informational assets? If they are historically resistant to paying, how can the offer be repositioned as an immediate cost-saving or income-generating investment?

P-16

Transformation Milestone Definition

Define 3 tangible, observable milestones that show a customer has transitioned from State A (Overwhelmed/Confused) to State B (Relieved/Empowered) within 14 days of downloading [PRODUCT CONCEPT].

Category 03: Product Ideas & Concept Generation (Prompts 17–25)

P-17

10 Niche Micro-Asset Concepts

Generate 10 distinct digital product concepts solving acute bottlenecks in [INSERT NICHE]. For each, specify: (1) Product Name, (2) Specific Format (Checklist, Template, Prompt Pack, Guide), (3) Exact Problem Solved, (4) Why a customer can use it within 20 minutes.

P-18

Raw Pain to Multi-Format Matrix

Take the problem of [INSERT PROBLEM] and architect 3 completely different product formats for it: Format A (Google Sheet / Excel Calculator), Format B (Notion Workflow OS), Format C (40-Page Action Guide + Checklist Pack). Compare their perceived values.

P-19

The "Anti-Course" Micro-Asset Generator

Create 5 digital product ideas in [INSERT NICHE] that solve a problem that traditionally required a 10-hour video course, but compresses the solution into a 1-page printable checklist, swipe file, or prompt pack that delivers results 10x faster.

P-20

B2B Freelance & Agency Toolkits

Brainstorm 5 high-perceived-value digital assets targeting freelancers or small agency owners in [INSERT SKILL, e.g. video editing / copywriting]. Focus on client onboarding, contracts, pricing, and project delivery speed.

P-21

Prompt Pack Concept Architect

Design a commercial AI Prompt Pack concept for [INSERT TARGET AUDIENCE]. Specify: (1) Pack Title, (2) The 5 core workflows automated, (3) Number of tested prompts (e.g. 50-75 prompts), (4) Ideal price point (e.g. Rs. 399 / \$15).

P-22

Spreadsheet Calculator & Dashboard Ideas

Propose 4 automated Google Sheets / Excel spreadsheet product concepts for [INSERT NICHE, e.g. personal finance / fitness meal planning / ad budgeting]. Detail the exact mathematical inputs, automated formulas, and visual dashboard outputs.

P-23

Printable Action Workbook Ideas

Create 3 interactive workbook concepts for [INSERT TOPIC]. Each workbook must feature guided diagnostic self-assessments, fill-in calculation sheets, and weekly accountability scorecards that buyers can print and physically write on.

P-24

Emergency Situational Playbook Concepts

Brainstorm 3 situational "Crisis / Emergency Playbooks" for [INSERT AUDIENCE, e.g., e-commerce brand owners dealing with banned ad accounts / employees dealing with PIPs]. Focus on step-by-step triage and immediate recovery actions.

P-25

High-Converting Digital Bundle Concept

Design an "All-in-One Master Bundle" combining an Action Guide + Notion Workspace + 50 AI Prompts + 3 Swipe Templates for [TOPIC]. Structure the bundle so the total perceived value exceeds \$100 while launch price remains \$19 (Rs. 499).

Category 04: Product Content Creation & Drafting (Prompts 26–35)

P-26

Master Curriculum Architecture

Act as an instructional design director. Create a 6-module curriculum outline for a digital product titled "[PRODUCT TITLE]" for [AUDIENCE]. For each module, provide: Title, Core Transformation, 3 Granular Sub-Sections, 1 Worksheet, and 1 Checklist deliverable. Zero theoretical fluff.

P-27

Deep Section-by-Section Content Expander

Act as an authoritative practitioner and writer in [DOMAIN]. Draft the complete substantive content for Module [X], Section [Y]: "[TITLE]". Include: (1) Punchy Hook, (2) Step-by-Step Methodology, (3) Common Rookie Blunder, (4) Realistic Case Study, (5) 3 Action Checklist items. Write at an advanced practical depth.

P-28

Proprietary Acronym & Framework Co-Creator

Help me invent a proprietary, memorable 4-step framework for [PROCESS] that forms a clean, relevant acronym (e.g. SPRINT, SHIELD, FOCUS). Define each step with exact action verbs and tactical instructions.

P-29

Realistic Annotated Case Study Generator

Write a detailed, believable case study of a [SPECIFIC PERSON] applying [FRAMEWORK]. Detail their starting dilemma, the mistakes they avoided, their exact daily timeline over 14 days, and concrete before/after metrics.

P-30	Fill-in-the-blank Action Worksheet Designer
Design a high-impact, fill-in-the-blank Action Worksheet for [LESSON/MODULE]. Include: (1) Self-Diagnostic with 5 questions, (2) 4 Fill-in prompt fields with dotted lines, (3) Decision Matrix table, (4) Commitment pledge with signature/date line.	
P-31	Sequential Implementation Checklist / SOP
Transform the process of [TASK] into a sequential verification checklist. Divide into: Phase 1 (Pre-Execution Setup), Phase 2 (Core Step-by-Step Execution), Phase 3 (Post-Execution Quality Audit). Include a clear "Definition of Done" for each item.	
P-32	Plug-and-Play Script / Swipe Template
Create 3 plug-and-play swipe templates for [USE CASE, e.g., cold outreach / client proposal / customer apology]. Include bracketed variables [INSERT CLIENT NAME], psychological rationale notes for key sentences, and a completed real-world model.	
P-33	Visual Comparison Table Generator
Create a 4-column structured comparison table contrasting: "The Old, Ineffective Way" vs. "The Modern AI-First Way" across 6 key dimensions for [TOPIC]. Focus on speed, cost, error rate, and emotional stress.	
P-34	Troubleshooting FAQ & Edge Case Handler
Identify 5 realistic scenarios where a beginner might get stuck or experience unexpected obstacles while executing [PROCESS]. For each edge case, provide exact diagnostic questions and a 2-step immediate workaround.	
P-35	Executive Summary & Quick-Start Cheat Sheet
Compress the core principles of [COMPLETED PRODUCT/MODULE] into a 1-page "Executive Quick-Start Cheat Sheet". Use bold bullet points, sequential arrows, and concise decision rules that a reader can reference in 60 seconds.	

Category 05: Product Improvement & Editorial Polish (Prompts 36–43)

P-36	Aggressive Fluff & Cliché Pruner
Act as a ruthless editor. Review this text: [PASTE DRAFT]. Strip out all generic AI buzzwords (e.g. "delve", "tapestry", "crucial", "in today's fast-paced world"). Cut word count by 20% while retaining 100% of the tactical value and examples.	
P-37	Sentence Rhythm & Cadence Humanizer
Rewrite this draft: [PASTE DRAFT] to sound like a seasoned, pragmatic mentor speaking across a coffee table. Vary sentence length dramatically: mix short 3-word punchy sentences with rhythmic explanations. Eliminate passive voice entirely.	
P-38	The "B.S. Detector" Commercial QC Audit
Act as a cynical, hyper-critical buyer who paid \$30 for this draft: [PASTE DRAFT]. Where is the advice lazy, vague, or hand-waving? What questions left you unsatisfied? List the top 3 specific paragraphs that must be rewritten with concrete steps.	
P-39	Hallucination & Fake Stat Verification Check
Review this draft: [PASTE DRAFT]. Flag every statistic, claim, or percentage that sounds fabricated or unverified. Rewrite each flagged claim into an indisputable conceptual principle or real-world observation.	
P-40	Actionability Stress-Test (1 to 10)
Rate the actionability of this guide: [PASTE DRAFT] on a strict scale of 1 to 10. Could a complete beginner follow these instructions immediately without searching Google? Identify any missing prerequisites or hidden technical jargon.	
P-41	Tone & Empathy Calibration
Review this section: [PASTE SECTION]. Adjust the tone so it balances deep empathy for the reader's current struggles with firm, commanding authority on the required action steps. Remove any condescending or overly academic phrasing.	
P-42	Clarity & Kindergarten-Level Rephraser
Take this complex explanation: [PASTE TEXT] and re-explain it using a simple, relatable real-world analogy that an 8th grader could grasp instantly. Keep all tactical depth but eliminate confusing technical syntax.	
P-43	Version 2.0 Upgrade Planner
I have gathered initial customer feedback for my digital product: [PASTE FEEDBACK]. Architect a Version 2.0 upgrade plan: (1) 3 new high-impact templates to add, (2) 2 confusing sections to clarify, (3) Justification for raising the price from \$15 to \$27.	

Category 06: Visual Design & 3D Mockups (Prompts 44–51)

P-44	3D Hardcover Book & Tablet Bundle Prompt
Commercial advertising photography, photorealistic 3D product mockup of a luxury digital asset bundle. Featuring a sleek matte-black hardcover book standing upright with bold typography reading "[INSERT TITLE]", beside an ultra-thin modern iPad Pro tablet displaying a sleek Notion productivity dashboard. Soft ambient studio lighting, elegant subtle cyan and deep blue edge reflections, neutral light-gray background, soft depth of field, 8k resolution, ultra-premium commercial render. --ar 16:9	

P-45

Spiral-bound Action Workbook Render Prompt

Studio overhead angle, photorealistic 3D rendering of an elegant open spiral-bound action workbook with fill-in-the-blank checklist pages titled "[INSERT TITLE]". A luxury matte-black fountain pen rests beside the workbook. Warm natural daylight casting soft clean shadows, minimalist wooden desk background, crisp typography, clean editorial design magazine style. --ar 4:3

P-46

Master Software Box-Set Packaging Prompt

Luxury commercial 3D software box packaging mockup. A heavy embossed rectangular presentation box standing on a reflective glass surface, metallic foil embossed lettering reading "[INSERT TITLE] MASTER OS". Beside the box are floating digital cards and a USB token. High-tech executive aesthetic, moody dark slate background, volumetric cinematic lighting, 8k resolution. --ar 16:9

P-47

Multi-Device Ecosystem Mockup Prompt

Clean modern tech mockup showcase: A MacBook Pro laptop open to an interactive Google Sheet calculator, an iPhone 15 Pro displaying a mobile Notion checklist, and an iPad Pro displaying the digital ebook cover "[INSERT TITLE]". Clean white studio background, balanced corporate blue accents, sharp crystal-clear screens, photorealistic shadows. --ar 16:9

P-48

Levitating Quick-Start Card Stack Prompt

Dynamic levitating product shot of 5 layered cheat-sheet cards fanned out in mid-air, displaying clean checklists, icons, and workflow diagrams for "[INSERT TITLE]". Subtle atmospheric lighting, dark gradient background, high-contrast crisp text, hyper-detailed paper texture, modern fintech aesthetic. --ar 4:3

P-49

Canva Design Theme & Palette Specification

Create a complete design styling brief for a digital PDF toolkit in [NICHE]. Specify: (1) Primary font pairing (Heading + Body), (2) 4-color palette with hex codes, (3) Layout guidelines for callout boxes and worksheets, (4) Cover design aesthetic guidelines.

P-50

Thumb-Stop Instagram Feed Ad Creative Brief

Act as an art director. Generate a detailed Canva design brief for a 1080x1080 square Instagram feed ad promoting [PRODUCT]. Specify background color, typography hierarchy, central 3D graphic asset, and the exact 5-word text overlay.

P-51

Notion Workspace Aesthetics Architect

Design a visual layout scheme for a Notion digital product dashboard for [TOPIC]. Detail icon style (minimalist monochrome vs colored), banner image aesthetics, column layouts, callout color codes, and database view configurations.

BONUS 01 • PART 2

MASTER AI PROMPT LIBRARY (CATEGORIES 07 TO 13)

62 Parameterized Copy-Paste Prompts: Naming, Pricing, Offers, Landing Pages, Content, Ads & Launch

Category 07: Product Naming & Taglines (Prompts 52–59)

P-52

Magnetic Outcome + Mechanism Title Generator

Generate 10 magnetic product titles for a digital asset in [NICHE] using the formula: [Target Outcome] + [Proprietary Mechanism] + [Asset Type]. Provide titles across: The Operating System Angle, The Sprint Angle, The Playbook Angle, and The Toolkit Angle.

P-53

Punchy 3-Word Commercial Tagline Generator

Create 8 punchy 3-word action taglines for [PRODUCT TITLE, e.g., "Create. Launch. Sell." / "Build. Automate. Scale."]. The tagline must feel decisive, professional, and communicate rapid transformation.

P-54

Curiosity-Driven Subtitle Architect

Write 5 compelling secondary subtitles for "[PRODUCT TITLE]" targeting [AUDIENCE]. Use the direct-response structure: "The complete step-by-step blueprint to [DESIRED RESULT] in [TIMEFRAME] without [BIGGEST FRUSTRATION]."

P-55

B2B Authority vs. B2C Casual Naming Split

Provide 3 enterprise/executive-level B2B titles (e.g., "The Revenue Operations Matrix") and 3 conversational B2C titles (e.g., "The 30-Day Paycheck Reset") for a product solving [CORE PROBLEM]. Explain the psychological positioning behind each.

P-56

Alliteration & Rhythmic Title Crafter

Generate 6 memorable, rhythmic product names using alliteration, rhyming, or cadence (e.g., "Pitch to Profit", "Code to Client", "Fast Track Freelancer") for a digital tool in [NICHE].

P-57

Trademark & Domain Name Screening Assistant

Evaluate this product name: "[CANDIDATE NAME]". Is it too generic, easily confused with existing massive brands, or difficult to spell? Suggest 3 distinctive proprietary variations with strong domain/handle availability potential.

P-58

Bonus Asset Naming Suite

I have 3 bonuses for my core product "[PRODUCT NAME]": a checklist, an email swipe file, and a video audit. Create 3 magnetic, high-perceived-value names for these bonuses that make them sound like standalone premium courses.

P-59

Product Rebranding & Repositioning Generator

My current product is titled "[CURRENT BORING TITLE]" and is struggling to convert. Diagnose why this title is weak and generate 5 premium repositioned rebrands that elevate perceived value from \$5 to \$30.

Category 08: Pricing & Economics (Prompts 60–67)

P-60

Value-Based Price Point Calibration

Analyze the pricing elasticity for a digital product delivering [SPECIFIC TRANSFORMATION] to [AUDIENCE]. Recommend the optimal entry price between Rs. 299 and Rs. 999 (\$9 to \$27) based on audience income, problem urgency, and ad conversion friction.

P-61

The 3-Tier Price Anchoring Matrix

Structure a 3-tier pricing offer for [PRODUCT]: Tier 1: Essential Starter (\$15 / Rs. 399), Tier 2: Complete Implementation Bundle (\$27 / Rs. 699), Tier 3: VIP Master Suite (\$47 / Rs. 1,299). Detail exact deliverables in each tier to drive 70% of buyers to Tier 2.

P-62

High-Converting Order Bump Architect

For a core digital product priced at \$17 (Rs. 499) solving [PROBLEM], design 2 compelling checkout Order Bumps priced at \$5 to \$9 (Rs. 199 - Rs. 299). Write the exact headline, 2 benefit bullets, and checkout checkbox copy to achieve a 35%+ take rate.

P-63

One-Time Upsell (OTO) Offer Blueprint

Design a post-purchase One-Time Upsell (OTO) priced at \$37 to \$67 (Rs. 999 - Rs. 1,999) for buyers who just purchased [FRONT-END PRODUCT]. Structure the offer so it delivers the logical "next-stage" solution without making the initial purchase feel incomplete.

P-64

Unit Economics & Ad Breakeven Calculator

Calculate the required ad metrics to break even selling a Rs. 499 digital product with a Rs. 199 order bump (30% take rate). If Meta Ads cost Rs. 8 per link click, what landing page conversion rate is required to achieve a 2.0x ROAS?

P-65

Price Increase & Grandfathering Campaign

Write a 3-part email/story announcement notifying audience that the price of [PRODUCT] is permanently increasing from Rs. 499 to Rs. 799 in 48 hours due to the addition of Version 2.0 assets. Use ethical urgency without artificial pressure.

P-66

Return Policy & Risk-Reversal Formulator

Craft an empowering, confidence-inspiring satisfaction commitment or conditional 14-day action-based guarantee for [PRODUCT]. Protect the creator from bad-faith digital file theft while completely eliminating buyer purchase anxiety.

P-67

Flash Sale & Holiday Promotional Pricing Framework

Structure a 72-hour promotional campaign for [PRODUCT] around [EVENT, e.g., Diwali / New Year / Black Friday]. Provide the discount structure, bonus stack multiplier, and countdown schedule that maintains brand integrity.

Category 09: Offers & Value Stacking (Prompts 68–76)

P-68

Total Value Stack Hierarchy Architect

Take my core product "[NAME]" and 3 bonuses: [BONUS 1], [BONUS 2], [BONUS 3]. Assign defensible standalone monetary values to each component and draft the commanding value stack summary table showing a total value of Rs. 3,296 discounted to Rs. 499.

P-69

The "Speed Accelerator" Bonus Generator

Design a high-value "Speed Accelerator" bonus for [PRODUCT]. What single cheat sheet, audio summary, or rapid checklist can I create that cuts the customer's implementation time by 80%?

P-70

The "Friction Eliminator" Swipe File Creator

What is the most tedious, frustrating manual task a buyer must execute to get results with [PRODUCT]? Create a "Done-For-You Swipe File" bonus concept that completely eliminates this friction.

P-71

The "Next Problem" Future-Paced Bonus

Once a buyer successfully achieves the core outcome of [PRODUCT], what is the immediate new problem that emerges in their workflow? Design a bonus asset that preemptively solves this next stage challenge.

P-72

Ethical Scarcity & Fast-Action Bonus Builder

Design an exclusive "Fast-Action Bonus" strictly limited to the first 25 buyers of [PRODUCT] (e.g. an asynchronous portfolio audit / private template). Write the copy that highlights this limited allocation ethically.

P-73

Irresistible Offer Teardown & Reconstruction

Here is my current offer: [PASTE CURRENT OFFER]. Brutally tear it down using Alex Hormozi's Value Equation (Dream Outcome x Perceived Likelihood of Achievement / Time Delay x Effort & Sacrifice). Show how to optimize all 4 variables.

P-74

Cross-Sell Complementary Asset Pack

Suggest 3 complementary low-ticket digital assets that can be cross-sold to past buyers of [PRODUCT] within 30 days of their initial purchase to build a recurring back-end product ecosystem.

P-75

Bundle Packaging & Multi-Asset Synergizer

I have 2 separate digital assets: [ASSET 1] and [ASSET 2]. How can I package them together into a unified "Master Operating System" with a cohesive overarching narrative that commands double the price?

P-76

The "No-Brainer" Micro-Offer Pitch

Draft a 2-paragraph direct-response pitch explaining why paying Rs. 399 for [PRODUCT] is mathematically equivalent to "trading a pizza for a permanent automated workflow that saves 5 hours every week."

Category 10: Landing Page Copywriting (Prompts 77–85)

P-77

10 High-Converting Hero Headline Variations

Act as a top direct-response copywriter. Write 10 headline variations for [PRODUCT] using 5 distinct angles: (1) The Direct Promise, (2) The Contrarian Truth, (3) The Speed / Timeframe, (4) The Without Pain, (5) The Social Curiosity.

P-78

Visceral Pain & Agitation Story Section

Write a gripping 300-word "Problem & Pain Callout" section for [PRODUCT] targeting [AUDIENCE]. Viscerally describe their daily cycle of frustration, self-doubt, and wasted hours so they feel 100% understood.

P-79

The "Old Way vs. New Way" Paradigm Shift

Write a compelling landing page comparison section contrasting "The Hard, Painful Manual Way (Spending weeks, buying courses)" vs. "The Fast AI-First Way (Download plug-and-play OS, launch in 48 hours)" for [TOPIC].

P-80

8 High-Curiosity Fascination Bullets

Write 8 fascination bullets for [PRODUCT] starting with action verbs ("The 1-page formula that...", "Why traditional advice guarantees...", "How to eliminate..."). Ensure each bullet creates intense curiosity while hinting at the payoff.

What's Inside Deliverables Breakdown

P-81

Draft the "What's Included" landing page module breakdown for [PRODUCT]. For each module, write a crisp 2-sentence description emphasizing practical outputs and time savings rather than passive reading.

P-82

Who This Is For vs. Who It's NOT For Grid

Write a clean 2-column qualification section for [PRODUCT]. Column 1: "This Is Strictly For You If..." (4 empowering implementer traits). Column 2: "Please Do NOT Buy This If..." (4 get-rich-quick, excuse-making traits).

P-83

Objection-Crushing FAQ Section (7 Questions)

Draft 7 comprehensive FAQ answers for [PRODUCT]. Address: technical skill level needed, time commitment, refund policy, whether paid AI tools are required, format compatibility, and international access.

P-84

Commanding Above-the-Fold Hero Section Copy

Draft the complete Above-the-Fold hero section for [PRODUCT]: Badge label, Master Headline, Secondary Subhead, 3 Micro Benefit Checkmarks, Call-to-Action Button text, and Micro-assurance line ("Instant PDF Download • No Recurring Fees").

P-85

Final Closing Argument & Urgent CTA Block

Write the final closing section of the landing page: A 2-choice crossroads scenario ("Choice 1: Keep doing what you've always done. Choice 2: Invest Rs. 499 today and get immediate clarity"), value summary, and final checkout button.

Category 11: Organic Marketing Content (Prompts 86–95)

P-86

Viral 30-Second Reel Script Generator

Write a high-retention 30-second Instagram Reel script for [TOPIC]: (1) 3-second visual + text hook, (2) 10-second pain point agitation, (3) 12-second actionable tip, (4) 5-second product CTA ("Comment 'TOOLKIT' for link").

P-87

8-Slide Educational Carousel Framework

Create an 8-slide Instagram/LinkedIn carousel outline teaching [SPECIFIC SKILL]: Slide 1 (Hook), Slides 2-6 (Step-by-step breakdown), Slide 7 (Summary checklist), Slide 8 (Plug-and-play product pitch + bio link CTA).

P-88

Story Selling Sequence (Problem to Purchase)

Write a 5-part Instagram Story sequence for [PRODUCT]: Story 1 (Interactive poll on frustration), Story 2 (Screenshot of personal result), Story 3 (Behind the scenes walk-through), Story 4 (Early bird launch discount), Story 5 (Direct link sticker).

P-89

Contrarian "Unpopular Opinion" Post

Draft a controversial, thought-provoking LinkedIn/Twitter post challenging a sacred industry belief in [NICHE]. Explain why the standard advice harms beginners and present the contrarian framework behind [PRODUCT].

P-90

Screen Walkthrough Screen-Recording Script

Write a script for a 45-second screen recording video showing the inside of [DIGITAL ASSET, e.g. Notion dashboard / Sheet calculator]. Highlight 3 specific features that elicit an audible "Wow, this saves so much time" reaction.

P-91

"Day in the Life" Implementation Narrative

Write a relatable narrative post detailing how a user's workflow transformed from stressful chaos to organized calm after spending 20 minutes implementing [PRODUCT FRAMEWORK]. Include realistic time metrics.

P-92

Comment Automation Keyword Engine

Create 5 short-form video concepts with tailored keyword comment triggers (e.g., "Comment 'PROMPT' for the Notion board"). Write the matching automated DM reply script that provides the link with a warm, conversational welcome.

P-93

Thread / X Deep-Dive Value Outline

Draft a 7-tweet value thread breaking down the core philosophy of [PRODUCT]. Tweet 1 (Hook with bold outcome), Tweets 2-6 (Granular tactical lessons), Tweet 7 (Download the complete checklist in the bio).

P-94

FAQ Video Q&A Script Pack

Write 3 short 20-second video scripts answering the top 3 customer objections about [PRODUCT] in a friendly, no-pressure manner. Keep tone approachable and direct.

P-95

Launch Day Countdown Posts (3-Day Series)

Write 3 organic feed/story countdown posts: (1) 48 Hours Out (The sneak peek), (2) 24 Hours Out (The early bird bonus reveal), (3) Launch Day (The doors are officially open + launch price active).

Category 12: Paid Ad Creatives & Copy (Prompts 96–105)

P-96

Direct-Response Problem-Agitation Ad Copy

Act as a Meta performance copywriter. Write a problem-focused ad for [PRODUCT]: Opening 1-sentence scroll-stopping Hook + 3 short paragraphs detailing the pain of manual guessing + Bullet list of what's inside + Strong CTA.

P-97	Educational How-to Direct-Response Ad
Write an educational ad teaching 1 quick, valuable 3-step tip for [TOPIC]. Transition smoothly into offering the complete 50-page implementation toolkit for just Rs. 499 at the link.	
P-98	UGC-Style Casual Selfie Video Ad Script

22 MASTER OFFER & SALES COPY PROMPTS

Irresistible Value Stacking • Benefit Translation • Objection Annihilation • High-Converting Sales Copy

How to use this vault: जब आपका basic digital product ready हो जाए, तो उसकी sales conversion इस बात पर depend करती है कि आपका offer कितना compelling है. इन copy-paste prompts को ChatGPT या Claude में paste करें ताकि cold prospects आपके product को no-brainer deal की तरह देखें.

CATEGORY 1: VALUE STACKING & IRRESISTIBLE OFFER ARCHITECTURE (PROMPTS 01–06)

Prompt 01: The 10x Value Equation Offer Architect

PROMPT 01

Hinglish Guide: अपने raw product को 10x perceived value bundle में convert करने के लिए run करें.

COPY-PASTE AI PROMPT (ENGLISH)

Act as an elite direct-response offer strategist (Alex Hormozi style). I am selling a digital product priced at [PRICE, e.g., ₹499 / \$19].
My Core Product is: [DESCRIBE PRODUCT, e.g., 30-Day Fat Loss Meal Prep Guide for Busy Desk Workers].
Target Audience: [DESCRIBE AUDIENCE].

Using the Value Equation (Dream Outcome x Perceived Likelihood of Achievement / Time Delay x Effort & Sacrifice), design a complete High-Perceived-Value Stack:

- Core Product Component & Re-framed "Transformation Promise".
- 3 High-Speed Implementation Bonuses that collapse time delay.
- 2 Friction-Remover Bonuses that eliminate perceived sacrifice.
- Total Perceived Value Anchor vs. My Actual Launch Price.

Ensure every bonus sounds like a complete standalone mini-solution, not cheap fluff.

Prompt 02: Dream Outcome Clarity Transformer

PROMPT 02

Hinglish Guide: Generic features ("includes 5 sheets") को vivid dream outcome results में बदलें.

COPY-PASTE AI PROMPT (ENGLISH)

Here is my raw feature list for my digital product:
[PASTE 3-5 PRODUCT FEATURES].

My target audience wants [TARGET AUDIENCE DESIRE].
Rewrite each feature into a 3-part Transformation Bullet using this formula:
Feature -> Direct Functional Benefit -> Emotional Life Outcome ("So you can finally [DREAM] without [BIGGEST DREAD]").
Provide 3 punchy variations for each feature.

Prompt 03: Fast-Action Urgency & Ethical Scarcity Builder

PROMPT 03

Hinglish Guide: Fake countdown timers के बिना ethical launch urgency create करने के लिए.

COPY-PASTE AI PROMPT (ENGLISH)

I am launching [PRODUCT NAME] at an early-bird founder price of [PRICE] before regular pricing of [STANDARD PRICE].
Give me 5 ethical, non-gimmicky scarcity mechanisms suitable for digital products:

- Founding Member Feedback Bonus (limited to first 50 buyers).
- Live Onboarding / Q&A bonus call access.
- Tiered Early-Bird Price Ladder.
- Limited-Time Implementation Sprint Cohort.
- Lifetime Update Pass inclusion.

For each mechanism, draft the exact 3-sentence announcement copy to put on the sales page.

Prompt 04: The "Friction-Free" Risk Reversal Guarantee

PROMPT 04

Hinglish Guide: Low-ticket buyer friction खत्म करने के लिए strong, professional guarantee copy तैयार करें.

COPY-PASTE AI PROMPT (ENGLISH)

Write 3 distinct styles of Risk-Reversal Guarantees for my digital product [PRODUCT NAME]:
Option A: The 100% Unconditional 7-Day Peace-of-Mind Guarantee (Classy & reassuring).
Option B: The "Action-Based" Implementation Guarantee (Try the worksheets, if no clarity, get 100% refund).
Option C: The "Keep the Bonuses Anyway" Generous Guarantee.
Include: A bold title, 4-sentence guarantee policy copy, and an icon/trust badge suggestion.

Prompt 05: Order Bump & Upsell Generator

PROMPT 05

Hinglish Guide: Checkout page पर Average Order Value (AOV) 30-50% बढ़ाने वाला bump offer design करें.

COPY-PASTE AI PROMPT (ENGLISH)

My core digital product is [CORE PRODUCT] at [PRICE].
Brainstorm 3 high-converting Checkout Order Bumps (priced at 30-50% of the core product price):
For each bump provide:

- Product Concept (Must be a complementary 'Speed' or 'Done-For-You' asset).
- Price Point.
- The exact 2-sentence Checkout Box Copy (with bold headline and checkbox pitch).

Prompt 06: Irresistible Bonus Pack Conceptualizer

PROMPT 06

Hinglish Guide: Customer के next immediate problem को solve करने वाले 4 companion bonuses brainstorm करें.

COPY-PASTE AI PROMPT (ENGLISH)

Core Digital Product: [NAME & OUTCOME].
Target Customer: [AUDIENCE].
What are the 4 logical "Next Step" problems my buyer will face immediately after using this product?
Create 4 companion bonuses addressing these exact hurdles:

- Bonus 1: Speed Acceleration Asset (e.g., Cheat Sheet / Calculator).
- Bonus 2: Mistake Avoidance Asset (e.g., Troubleshooting Audit Checklist).
- Bonus 3: Plug-and-Play Template (e.g., Fill-in-the-blank Swipe File).
- Bonus 4: Resource Directory (e.g., Curated Tool / Vendor Index).

Give each bonus a proprietary commercial name and a clear value anchor.

Prompt 07: 10 High-Converting Sales Page Headlines

PROMPT 07

Hinglish Guide: Landing page top fold के लिए proven direct-response framework headlines generate करें.

COPY-PASTE AI PROMPT (ENGLISH)

Generate 10 magnetic sales page headlines for [PRODUCT NAME] solving [CORE PROBLEM] for [TARGET AUDIENCE]. Structure the headlines using these 5 battle-tested frameworks (2 variations each):

1. How to [Desirable Result] Without [Hated Pain/Sacrifice].

2. The [Timeframe] Blueprint to [Specific Outcome] Even If [Biggest Obstacle].

3. Stop [Painful Mistake]. Here's How [Target Avatar] Are Finally [Achieving Result].

4. The Simple, No-Fluff System to [Dream Result] in Just [Time/Steps].

5. If You Can [Simple Action], You Can [Big Achievement] (Beginner-Friendly Angle).

Prompt 08: Subheadline Value Anchors & Eyebrow Hooks

PROMPT 08

Hinglish Guide: Headline के ऊपर eyebrow tag और नीचे clarity subhead जोड़कर retention 2x करें.

COPY-PASTE AI PROMPT (ENGLISH)

My Main Headline is: [INSERT CHOSEN HEADLINE].

Target Market: [TARGET AUDIENCE].

Digital Product Format: [FORMAT, e.g., 60-Page Playbook + Notion Workspace].

Generate:

1. 5 Pre-Headline Eyebrow Tags (e.g., "ATTENTION BUSY WORKING PROFESSIONALS:").

2. 5 High-Clarity Subheadlines (2 sentences maximum) that explain who this is for, what format they receive, and the exact speed of implementation.

Prompt 09: Action-Oriented CTA Button Copy Matrix

PROMPT 09

Hinglish Guide: Boring "Buy Now" की जगह high-intent conversion CTA buttons generate करें.

COPY-PASTE AI PROMPT (ENGLISH)

Generate 8 high-click Call-To-Action (CTA) button copy pairs for my product [PRODUCT NAME] priced at [PRICE].

Each pair must include:

- Primary Button Text (Active first-person verb, e.g., "Yes! Give Me Instant Access for ₹499")

- Sub-text Reassurance Microcopy (placed directly under button, e.g., "Instant 1-Click PDF Download • 100% Secure Checkout • Zero Subscriptions")

Prompt 10: Fascinations & Bullet Points Formula

PROMPT 10

Hinglish Guide: Mel Martin style 'fascinations' generate करें जो curiosity spike करके reader को buy करने पर मजबूर करें.

COPY-PASTE AI PROMPT (ENGLISH)

Act as legendary copywriter Mel Martin. Write 12 curiosity-drenched "Fascination" bullets for my digital product:

Product Topic: [TOPIC].

Key Modules / Contents: [PASTE OUTLINE OR CHAPTER TOPICS].

Guidelines:

- Each bullet must begin with a bold hook (e.g., The "#1 Silent Blunder", The "5-Minute Hack", Why Most People Fail At...).

- Tease the exact page/module outcome without giving away the proprietary secret.

- Spark intense curiosity and perceived insider knowledge.

Prompt 11: "Who Is This For / Not For" Filter

PROMPT 11

Hinglish Guide: Qualified buyers attract करने और refund seekers repel करने वाला dual-column qualifier बनाएं.

COPY-PASTE AI PROMPT (ENGLISH)

Write a compelling, polarizing "This Is For You If... / This Is NOT For You If..." section for my digital product:

Product Name: [NAME].

Ideal Customer Persona: [DESCRIBE GOOD FIT].

Disqualified Persona: [DESCRIBE BAD FIT, e.g., get-rich-quick seekers, people unwilling to do 30 mins work].

Generate:

- 5 punchy "This Is Built For You If..." bullets.

- 5 respectful but firm "Please Do NOT Buy This If..." bullets.

Keep tone authentic, professional, and confidence-inspiring.

Prompt 12: Price Contrast & Anchor Justifier

PROMPT 12

Hinglish Guide: अपने ₹499/₹999 price को alternative expensive options (consultant, course, trial-and-error) से contrast करें.

COPY-PASTE AI PROMPT (ENGLISH)

Write a 3-paragraph "Cost of the Alternative" price justification section for [PRODUCT NAME] selling for [PRICE].

Contrast the low price of this digital asset against 3 costly real-world alternatives:

1. Hiring a 1-on-1 expert or agency ([COST, e.g., ₹25,000+]).

2. Buying bloated 40-hour video bootcamps ([COST, e.g., ₹10,000+]).

3. The painful hidden cost of continuing to waste 6 months in trial and error.

Make the prospect realize that NOT buying is mathematically 10x more expensive than buying.

CHALLENGE 3: OBJECTION ANNIHILATION & FIRST CONVERTING SALES COPY (PROMPT 13-19)

Prompt 13: The Big 5 Objection Annihilator FAQ

PROMPT 13

Hinglish Guide: Top 5 buying objections (Time, Skill, Price, AI knowledge, Trust) को FAQ answers में dissolve करें.

COPY-PASTE AI PROMPT (ENGLISH)

Write direct, empathetic, and persuasive FAQ responses for the 5 biggest psychological objections to buying [PRODUCT NAME]:

- "I have zero technical background or AI experience. Will I be lost?"
- "I barely have 30 minutes of free time after my day job. Can I actually implement this?"
- "Can't I just find all this information for free on YouTube or Google?"
- "What if I get stuck or don't understand something in the workbook?"
- "How quickly do I get access after paying?"

Answer each objection in 3-4 concise, reassuring sentences.

Prompt 14: Story-Driven Pain-Agitation-Solution (PAS) Pitch

PROMPT 14

Hinglish Guide: Prospect की everyday struggle को reflect करने वाला high-empathy sales letter opener लिखें.

COPY-PASTE AI PROMPT (ENGLISH)

Write a 250-word sales page opening narrative using the classic PAS (Problem - Agitate - Solve) copy framework:

Target Audience: [TARGET AUDIENCE].

Core Pain Point: [DAILY FRUSTRATION, e.g., spending 3 hours every evening staring at a blank screen].

Digital Solution: [PRODUCT NAME].

Instructions:

- Begin by describing a raw, relatable moment the prospect experiences on a typical Tuesday night.
- Agitate the silent emotional toll (fatigue, self-doubt, wasted months).
- Transition smoothly to the revelation: "It's not your fault—you didn't have a system. Until now."
- Introduce [PRODUCT NAME] as the straightforward bridge.

Prompt 15: The "Why Digital Beats Courses" Argument

PROMPT 15

Hinglish Guide: Buyers को समझाएं कि uncompleted 20-hour videos से better ready-to-use playbooks/templates क्यों हैं.

COPY-PASTE AI PROMPT (ENGLISH)

Write a 150-word persuasive section for my sales page titled: "Why You Don't Need Another 30-Hour Video Course."

Explain why busy modern learners hate watching endless fluff video lectures and instead desperately prefer concise, actionable, printable digital assets (playbooks, templates, checklists, and prompt packs) that deliver implementation in 60 minutes.

Frame [PRODUCT NAME] as the antidote to course fatigue.

Prompt 16: Abandoned Cart Recovery Email Sequence

PROMPT 16

Hinglish Guide: Checkout page छोड़ कर जाने वाले 20-30% prospects को recover करने वाली 3 emails लिखें.

COPY-PASTE AI PROMPT (ENGLISH)

Write a 3-part automated Abandoned Cart email sequence for visitors who reached the checkout for [PRODUCT NAME] but didn't complete payment:

- Email 1 (Send at 1 hour): Helpful & Tech-Support Angle ("Did your browser freeze? Here is your reserved checkout link").
- Email 2 (Send at 12 hours): Objection Removal + Dream Outcome ("Here is what happens the moment you open the files").
- Email 3 (Send at 24 hours): Final Courtesy Call / Offer Expiration warning.

Include catchy subject lines and direct CTA links.

Prompt 17: Post-Purchase Customer Welcome & Onboarding Email

PROMPT 17

Hinglish Guide: Buyer remorse zero करने और immediate implementation trigger करने वाला onboarding email.

COPY-PASTE AI PROMPT (ENGLISH)

Write a premium, enthusiastic Welcome & Instant Delivery Email for customers who just purchased [PRODUCT NAME]:

1. Congratulate them on taking action (validate their smart decision).
2. Direct 1-Click Access link to download the PDF bundle.
3. "Quick-Start Recommendation": Tell them exactly which 3 pages/worksheets to open FIRST in the next 10 minutes.
4. Support contact info and community link.

Keep the tone warm, empowering, and exceptionally professional.

Prompt 18: DM / Chatbot Script for Direct Conversions

PROMPT 18

Hinglish Guide: Instagram DMs या ManyChat automation में interested leads को buyers में convert करें.

COPY-PASTE AI PROMPT (ENGLISH)

Create a 4-step Conversational DM script for Instagram / WhatsApp when a lead comments a trigger word (e.g., "SYSTEM") on my post:

Step 1: Instant delivery of a free quick-win asset + friendly greeting.

Step 2: Low-pressure discovery question (diagnose their biggest current challenge).

Step 3: Seamless bridge connecting their specific challenge to my paid product [PRODUCT NAME].

Step 4: Exclusive DM discount link with genuine gratitude.

Tone should be conversational, authentic, non-spammy, and helpful.

Prompt 19: The "Crossroads" Closing Pitch

PROMPT 19

Hinglish Guide: Sales page के bottom fold पर classic "Two Paths" closing argument deploy करें.

COPY-PASTE AI PROMPT (ENGLISH)

Write the concluding "You Stand At A Crossroads" section for the bottom of my sales page for [PRODUCT NAME]:

Path 1: Close this tab, change nothing, and wake up tomorrow facing the exact same frustration and wasted time.

Path 2: Make a tiny, risk-free investment of [PRICE], follow the verified step-by-step system, and finally [ACHIEVE OUTCOME].

Make this emotional, urgent, inspiring, and finish with a strong final CTA button prompt.

Prompt 20: Resumonia & Case-Study Request Sequence

PROMPT 20

Hinglish Guide: Early buyers से ethical, detailed reviews और feedback collect करने का 7-day follow-up message.

COPY-PASTE AI PROMPT (ENGLISH)

Draft a 7-day post-purchase check-in message to buyers of [PRODUCT NAME] asking for their authentic feedback:

1. Ask how their implementation is progressing.
2. Provide 3 specific guided prompt questions:
 - What was your biggest frustration before opening the files?
 - What specific breakthrough or result did you achieve using the worksheets?
 - What would you say to someone hesitating to grab their copy?
3. Offer a small bonus thank-you gift for sharing their honest feedback.

Prompt 21: Social Proof Highlight Box Copy

PROMPT 21

Hinglish Guide: Customer quotes को landing page cards के लिए eye-catching headlines के साथ format करें.

COPY-PASTE AI PROMPT (ENGLISH)

Here is raw customer feedback I received for my product:
[PASTE RAW CUSTOMER FEEDBACK / QUOTES].

Transform this raw feedback into 3 polished social proof cards for my sales page:

- 1-Sentence High-Impact Headline summarizing the biggest breakthrough.
- Polished, concise customer quote (maintaining authentic voice).

50 HIGH-CONVERTING AD HOOKS VAULT

Thumb-Stopping Video & Static Creative Openers Across 7 Proven Psychological Direct-Response Categories

Why hooks matter: Short-form video (Reels/Shorts) और Meta Ads में 80% audience पहले 3 सेकंड में scroll decide करती है. अगर hook thumb-stopping नहीं है, तो आपका product कितना भी शानदार हो, conversion zero होगी. इन 50 hooks को अपने digital product के context में use करें.

CATEGORY 1: DIRECT PROBLEM HOOKS (HOOKS 01–08)

01. The Unspoken Time Drain PROBLEM HOOK Hook Script: "If you're still spending 3 hours every day doing [PAINFUL MANUAL TASK], you need to stop right now." Visual Cue: Frustrated screen glare, shaking head at laptop, clock ticking fast.	02. The Application Black Hole PROBLEM HOOK Hook Script: "Sending 50 cold messages a day with zero replies isn't bad luck—it's bad positioning." Visual Cue: Showing zero unread replies on screen with red circle overlay.	03. The Month-End Reality Check PROBLEM HOOK Hook Script: "Ever look at your bank balance on the 25th and wonder where your entire salary vanished?" Visual Cue: Scrolling through banking app with shocked or anxious facial expression.	04. The 200-View Curse PROBLEM HOOK Hook Script: "Putting 4 hours into editing a video just to watch it die at 180 views hurts. Here's why it happens." Visual Cue: Screen recording of Instagram insights stuck on flatline view count.	05. The Course Collector Graveyard PROBLEM HOOK Hook Script: "Be honest: how many ₹2,000 courses are sitting in your email right now at 12% completion?" Visual Cue: Showing multiple course login tabs open on a messy browser bar.	06. The Blank Page Paralysis PROBLEM HOOK Hook Script: "Staring at a blank Google Doc for 45 minutes isn't writer's block—it's a lack of an outline template." Visual Cue: Blinking cursor on an empty white screen while rubbing temples.	07. The Client Discount Trap PROBLEM HOOK Hook Script: "Every time a client asks 'Can you do this for less?', here is the exact script you should reply with." Visual Cue: Zooming in on a client WhatsApp message asking for a 50% cut.	08. The Desk Worker Neck Spasm PROBLEM HOOK Hook Script: "That sharp pinch in your shoulder blades by 4 PM isn't normal posture strain. Let me show you why." Visual Cue: Rolling shoulders uncomfortably while staring at dual monitors.
---	--	--	---	---	---	---	--

09. The Hidden Setting CURIOSITY Hook Script: "99% of people use [TOOL/AI] completely backwards. Watch what happens when you toggle this one setting." Visual Cue: Pointing finger at a specific dropdown menu inside the software UI.	10. The Non-Obvious Secret CURIOSITY Hook Script: "The top 1% in [INDUSTRY] don't work harder than you. They just use this 1-page system every morning." Visual Cue: Holding up a sleek, printed 1-page framework to the camera lens.	11. The Forbidden Shortcut CURIOSITY Hook Script: "Most senior managers won't tell you this, but here is how promotions are actually decided in Q4." Visual Cue: Whispering closer to the camera lens in an office setting.	12. The Bizarre Contrast CURIOSITY Hook Script: "Why did this ugly 12-page PDF outsell a polished 40-hour video masterclass? The answer will surprise you." Visual Cue: Side-by-side comparison of a simple document vs. heavy studio course.	13. The 3-Word Sentence CURIOSITY Hook Script: "I added 3 words to the top of my resume, and interview requests tripled in 48 hours." Visual Cue: Highlighting 3 words on a PDF resume document with yellow digital marker.	14. The Counter-Intuitive Truth CURIOSITY Hook Script: "The worst thing you can do when trying to [DESIRABLE GOAL] is [COMMON ADVICE]. Do this instead." Visual Cue: Big red cross over a popular internet advice graphic.	15. The Unfair Advantage CURIOSITY Hook Script: "This AI prompt feels almost illegal because it did 10 hours of research in 45 seconds." Visual Cue: Fast-speed typing on terminal/ChatGPT resulting in structured tables.
---	--	--	--	--	---	---

CATEGORY 3: MISTAKE & BLUNDER HOOKS (HOOKS 16-22)

16. The #1 Rookie Blunder MISTAKE Hook Script: "The #1 mistake beginners make when launching a digital product is building the product first." Visual Cue: Tapping pen firmly on desk; energetic warning gesture.	17. The Formatting Trap MISTAKE Hook Script: "Stop using fancy 2-column resume templates. Here's how ATS bots shred them instantly." Visual Cue: Paper shredder animation over a colorful Canva resume design.	18. The Starvation Diet Fallacy MISTAKE Hook Script: "Cutting carbs to 0 is the exact reason your belly fat refuses to budge. Here's the biological fix." Visual Cue: Pushing away an empty salad bowl with an exasperated sigh.	19. The Tax Blindspot MISTAKE Hook Script: "If you didn't check this box in your tax portal, you just donated ₹30,000 extra to the IT department." Visual Cue: Pointing directly at an e-filing portal checkbox with red highlight.	20. The Pricing Apology MISTAKE Hook Script: "Never say 'Does this price work for you?' on a client call. It instantly destroys your authority." Visual Cue: Acting out awkward video call quote with nervous body language.	21. The Hashtag Illusion MISTAKE Hook Script: "Adding 30 random hashtags to your Reel in 2026 does nothing. Fix these 3 keyword fields instead." Visual Cue: Deleting a massive block of hashtags from Instagram caption editor.	22. The Insurance Misdirection MISTAKE Hook Script: "If your insurance agent sold you a plan that 'gives money back', congratulations—you bought an investment trap." Visual Cue: Holding up an insurance policy document with 'ULIP' circled in red.
--	---	---	--	---	---	--

23. The Honest Self-Audit

QUESTION

Hook Script: "What would your monthly savings look like if you didn't have 4 unmonitored OTT and app subscriptions?"

Visual Cue: Showing recurring subscription notification alerts piling up.

24. The 6-Month Dilemma

QUESTION

Hook Script: "If your company downsizes tomorrow morning, how many months can your bank account survive?"

Visual Cue: Intense eye contact, serious and grounding direct address.

25. The Skill Replacement

QUESTION

Hook Script: "Can an AI agent do 70% of your daily workload right now? If yes, what is your plan for next year?"

Visual Cue: Side-by-side comparison of human typing vs automated AI script.

26. The Price Test

QUESTION

Hook Script: "Would you invest ₹499 today if it saved you 40 hours of manual struggle every single month?"

Visual Cue: Placing a ₹500 note next to a stack of completed organized documents.

27. The Routine Check

QUESTION

Hook Script: "Why do you wake up exhausted even after sleeping for 8 full hours? Let's check your sleep stage curve."

Visual Cue: Showing smartwatch sleep tracking graph with low deep sleep percentage.

28. The Freelance Ceiling

QUESTION

Hook Script: "Why are mediocre designers making ₹2L/month while talented freelancers struggle at ₹25k?"

Visual Cue: Split screen showing high-converting proposal deck vs plain text email.

29. The Content Fatigue

QUESTION

Hook Script: "Are you creating content for real buyers, or just entertaining random people who will never purchase?"

Visual Cue: Contrasting vanity likes (10k) with sales notifications (zero).

CATEGORY 5: BEFORE & AFTER TRANSFORMATION HOOKS (HOOKS 30–36)

30. The Resume Rebirth

BEFORE/AFTER

Hook Script: "Here is a resume that got zero callbacks in 3 months... and here is the exact 1-page rewrite that got 4 interview offers in 7 days."

Visual Cue: Fast side-by-side transition from cluttered CV to clean ATS layout.

31. The Chaos to Clarity Desk

BEFORE/AFTER

Hook Script: "From 37 messy sticky notes and missed deadlines... to this single automated Notion dashboard."

Visual Cue: Sweeping sticky notes off desk into trash, revealing clean tablet dashboard.

32. The Inbox Zero Shift

BEFORE/AFTER

Hook Script: "How I went from 1,420 unread chaotic emails every morning to a clean Inbox Zero in under 15 minutes."

Visual Cue: Time-lapse of automated filtering script archiving 1,000+ promo emails.

33. The Budget Turnaround

BEFORE/AFTER

Hook Script: "January: ₹0 savings and 3 credit card maxouts. June: Emergency fund funded and 2 cards closed."

Visual Cue: Cutting an expired credit card with scissors; showing debt payoff chart.

34. The Proposal Upgrade

BEFORE/AFTER

Hook Script: "This 2-page plain text quote used to get negotiated down by 50%. This 5-slide deck just closed a ₹1.5L deal."

Visual Cue: Flipping through a beautifully styled proposal deck on iPad.

35. The Energy Reset

BEFORE/AFTER

Hook Script: "3 PM crash and 4 cups of coffee vs sustained mental clarity all day with this 10-minute desk routine."

Visual Cue: Slouching exhausted vs upright, hydrated, focused work posture.

36. The 4-Hour to 15-Minute Pipeline

BEFORE/AFTER

Hook Script: "Creating this weekly client report used to take my whole Friday afternoon. Now this sheet generates it automatically in 30 seconds."

Visual Cue: Clicking 1 button on Google Sheets; auto-populating charts and tables.

37. The 3-Step Framework EDUCATIONAL Hook Script: "Here are the exact 3 steps to validate any digital product idea before you spend 1 rupee creating it." Visual Cue: Drawing 3 boxes on an iPad whiteboard app in real-time.	38. LANDING PAGE SECTION-BY-SECTION PROMPT PACK

9 Surgical AI Prompts to Generate Every High-Converting Element of Your 12-Section Sales Page

Section-by-Section Workflow: Main Product Module 7 में आपने सीखा कि 12-section landing page कैसे काम करता है. पूरे page को एक साथ generate करने पर AI कई बार generic text दे देता है. इसलिए इस prompt pack की मदद से आप हर section को surgical precision के साथ draft कर सकते हैं.

Prompt LP-01: Top Fold Above-the-Fold Power Suite (Headline, Subhead, Badge)

SECTION 1 & 2

Hinglish Guide: Landing page के hero header और primary call-to-action block को draft करें.

COPY-PASTE AI PROMPT (ENGLISH)

Act as an expert direct-response copywriter. I am building the top fold (Hero Section) of my digital product sales page.

Product Name: [INSERT PRODUCT NAME].

Target Audience: [INSERT TARGET AUDIENCE].

Primary Outcome / Result: [INSERT DESIRED OUTCOME].

Product Format: [INSERT FORMAT, e.g., 60-Page Illustrated Playbook + 16 Printable Worksheets].

Generate 3 complete variations of the Above-The-Fold Suite:

- Eyebrow Category Tag (Small pill badge at top, e.g., "FOR BUSY SALARIED PROFESSIONALS").
- High-Impact Headline (Focus on speed, outcome, and removing the #1 hated pain point).
- Clarity Subheadline (Explain exactly what the asset is, how long it takes to implement, and who it helps).
- Social Proof Micro-Tag (e.g., "Join 450+ early adopters").
- Hero CTA Button text and reassurance microcopy.

Prompt LP-02: Empathetic Problem & Pain Agitation Section

SECTION 3 & 4

Hinglish Guide: Prospect की everyday struggle और emotional agitation को articulate करने वाला section.

COPY-PASTE AI PROMPT (ENGLISH)

I need the "Problem & Pain Agitation" section for my sales page for [PRODUCT NAME].

Target Customer: [AUDIENCE].

Their Biggest Pain Points: [LIST 3-4 RAW FRUSTRATIONS].

Draft a compelling section structured as follows:

- Section Headline: "Sounds Familiar?" or "If You Are Tired Of [BIGGEST PAIN]..."
- 4 "Relatable Struggle" Bullets describing specific everyday moments of friction (use vivid, sensory language).
- The Hidden Cost: A 2-paragraph agitation explaining the compounding cost of ignoring this problem (wasted money, stress, lost months).
- The Epiphany Bridge: A reassuring 2-sentence transition explaining why this isn't their personal fault, but rather a flaw in the outdated methods they were taught.

Prompt LP-03: The New Mechanism & Solution Reveal

SECTION 5 & 6

Hinglish Guide: Old way vs New way contrast establish करके अपने product को bridge की तरह introduce करें.

COPY-PASTE AI PROMPT (ENGLISH)

Write the "Solution Reveal & New Mechanism" section for [PRODUCT NAME].

Core Solution: [EXPLAIN SOLUTION IN 1 SENTENCE].

Unique Mechanism / Angle: [e.g., AI-Assisted Sprint / 15-Minute Daily Framework].

Provide:

- Contrasting Comparison Table Copy:
 - "The Hard, Outdated Way" (5 bullet points showing high friction, high cost, endless trial-and-error).
 - "The Modern System" (5 bullet points showing clarity, speed, pre-built templates, guided execution).
- Product Introduction Header: "Introducing [PRODUCT NAME]: The Complete [SUBTITLE]".
- A 3-sentence summary of the transformation the buyer will experience within 48 hours of download.

Prompt LP-04: What's Inside Deliverables Breakdown

SECTION 7

Hinglish Guide: Product के modules, templates और worksheets को tangibly break down करें.

COPY-PASTE AI PROMPT (ENGLISH)

Here are the modules/components included in my digital product [PRODUCT NAME]:
[LIST MODULES / CHAPTERS / WORKSHEETS].

Transform this into a high-converting "Inside The System" visual breakdown section:
For each component create:
- Component Tag (e.g., MODULE 01 / CORE WORKBOOK / SWIPE FILE).
- Bold Asset Title.
- 2-sentence description focusing on the practical outcome and time saved.
- "You will be able to:" bullet point highlighting immediate actionable capability.

Prompt LP-05: High-Impact Transformation Benefits Grid

SECTION 8

Hinglish Guide: 6 key transformation cards generate करें जो buyer के life impact को show करें.

COPY-PASTE AI PROMPT (ENGLISH)

Write 6 "Key Transformation Benefits" cards for my landing page for [PRODUCT NAME]:
Target Customer: [AUDIENCE].
Primary Outcome: [DESIRED GOAL].

Format each card with:
1. Benefit Icon Concept (e.g., Lightning bolt, Clock, Shield).
2. 3-Word Punchy Headline (e.g., "Reclaim Your Evenings", "Bypass Algorithmic Filters").
3. 2-sentence explanation emphasizing freedom, confidence, speed, or financial efficiency.

Prompt LP-06: High-Perceived-Value Bonus Stack Display

SECTION 9

Hinglish Guide: Free bonuses को individual price value anchors के साथ showcase करें.

COPY-PASTE AI PROMPT (ENGLISH)

I am including 3 free bonuses with my product [PRODUCT NAME]:
Bonus 1: [DESCRIBE BONUS 1].
Bonus 2: [DESCRIBE BONUS 2].
Bonus 3: [DESCRIBE BONUS 3].

Draft the "Free Bonus Showcase" section:
- Section Headline: "Order Today & Receive [X] Fast-Action Bonuses (Free For A Limited Time)".
- For each bonus:
 - Header with Bonus # and Value Anchor (e.g., "BONUS #1: [NAME] – Real Value: ₹1,499 (Yours FREE Today)").
 - 2-sentence description detailing why this bonus accelerates their results.
- Total Combined Bonus Value callout block.

Prompt LP-07: The Qualified "Who It's For" Dual-Column Section

SECTION 10

Hinglish Guide: "Who this is for" vs "Who this is NOT for" clear alignment filter draft करें.

COPY-PASTE AI PROMPT (ENGLISH)

Write a crisp, polarizing Section 10 ("Who This Is For & Who It's NOT For") for [PRODUCT NAME]:
Ideal Buyer: [DESCRIBE].
Wrong Buyer: [DESCRIBE].

Output format:
- Left Column: "This Is Perfect For You If..." (5 green checkmark bullets targeting ambitious, action-taking individuals).
- Right Column: "This Is NOT For You If..." (5 red cross bullets politely repelling people looking for magic buttons, overnight riches, or unwilling to read a 1-page checklist).

Prompt LP-08: Objection-Crushing FAQ Accordion

SECTION 11

Hinglish Guide: 6 essential customer questions और unvarnished answers draft करें.

COPY-PASTE AI PROMPT (ENGLISH)

Generate 6 essential FAQ items for [PRODUCT NAME] priced at [PRICE]:
Audience hesitations to address:
1. Format & Delivery (instant download, PDF compatibility, device accessibility).
2. Time requirement to complete.
3. Beginner-friendliness (zero technical or design prerequisites).
4. Value comparison vs free YouTube content.
5. Refund policy / Guarantee details.
6. Support / questions post-purchase.
Write punchy questions and friendly, authoritative 3-sentence answers.

Prompt LP-09: Complete Master 12-Section Sales Page Generator

FULL PAGE MASTER

Hinglish Guide: One-shot prompt जो single run में पूरा 12-section draft output करता है.

COPY-PASTE AI PROMPT (ENGLISH)

Act as a world-class conversion rate optimization copywriter. Write a complete 12-section direct-response landing page for my digital product:
- Product Name: [NAME]

PRINTABLE PRODUCT VALIDATION SCORECARD

The 8-Vector Commercial Feasibility Audit • Eliminate Guesswork Before You Build

Scoring Guide: Rate your potential digital product idea on each of the 8 vectors below using a 1 to 5 scale (1 = Weak / High Friction, 5 = Exceptional / Immediate Demand). Add up your total score to determine your commercial launch viability.

#	Validation Vector	Scoring Benchmark (What to Look For)	Score (1–5)	Notes
01	Problem Severity Pain vs Minor Inconvenience	Does this problem cause intense frustration, financial loss, or career anxiety? (1 = Mild nice-to-have, 5 = Acute bleeding-neck pain).	___ / 5	[]
02	Urgency & Immediacy Time Pressure to Act	Do they need a solution today/this week, or can they postpone it for months? (1 = Someday project, 5 = Active deadline / daily friction).	___ / 5	[]
03	Audience Accessibility Ease of Reaching Buyers	Are buyers easily gathered in subreddits, Facebook groups, Instagram hashtags, or email lists? (1 = Invisible / hidden, 5 = Hyper-clustered).	___ / 5	[]
04	Organic Demand Signals Search & Forum Questions	Are people actively typing questions into Google, Reddit, Quora, and YouTube? (1 = Zero discussions, 5 = Hundreds of weekly questions).	___ / 5	[]
05	Competition Presence Proof of Existing Spending	Are other creators or companies running paid ads and selling solutions in this space? (1 = Desert / zero commercial spend, 5 = Healthy active market).	___ / 5	[]
06	Digital Solvability Can PDF/Tool Deliver Result?	Can a high-quality playbook, template, or checklist genuinely solve the hurdle without 1-on-1 labor? (1 = Requires surgery/hands-on, 5 = 100% digital).	___ / 5	[]
07	Willingness to Pay Purchasing Power	Does this audience have disposable income and habit of buying digital solutions? (1 = Broke hobbyists expecting freebies, 5 = Salaried / businesses).	___ / 5	[]
08	Marketing & Ad Potential Visual Hookability	Can this problem be dramatized visually in a 15-second Reel or static Meta ad? (1 = Vague abstract concept, 5 = High visual before/after contrast).	___ / 5	[]
TOTAL COMPOSITE VALIDATION SCORE (MAX 40):			___ / 40	

SCORE 32–40: GREEN LIGHT

Immediate Commercial Viability: Strong urgent pain, active buyers, clear solvability. Proceed straight to outline and creation with high confidence.

SCORE 24–31: AMBER LIGHT

Refine Angle Before Building: Potential exists, but 1-2 vectors (audience accessibility or willingness to pay) require sharpening. Pivot the hook or niche down.

SCORE BELOW 24: RED LIGHT

High Risk of Stagnation: Low urgency, non-paying audience, or weak digital solvability. Do not spend time creating this product. Return to Problem Discovery.

THE FIRST-SALE PRACTICAL ACTION PLAN

The 6-Stage Roadmap from Zero to Your First 10 Paying Customers • Focus on Execution, Not Hope

Reality Check: Digital product business में सबसे कठिन milestone ₹10 Lakh नहीं, बल्कि **पहली ₹499 की sale** होती है. पहला paying customer proof होता है कि एक complete stranger ने आपकी value पर trust करके अपनी hard-earned money दी. नीचे 6 realistic stages दी गई हैं:

STAGE 1: POLISH THE IRRESISTIBLE OFFER STAGE 1 - Entry-level price set करें (₹299–₹499) ताकि initial friction zero हो जाए. - Offer में 2 instant-implementation speed bonuses include करें. - Checkout page पर 100% money-back peace of mind guarantee display करें. - Test link open करके ensure करें कि checkout 60 seconds में complete होता है.	STAGE 2: PUBLISH 3 PILLARS OF SEED CONTENT STAGE 2 - Pillar 1 (Pain Breakdown): Reel/post explaining the #1 mistake in your niche. - Pillar 2 (The Secret Framework): Show 1 visual page from your workbook. - Pillar 3 (The Behind-The-Scenes Story): Why you created this solution. - Call to Action: "Comment [KEYWORD] and I'll DM you the breakdown link."	STAGE 3: DIRECT VALUE OUTREACH (WARM 20) STAGE 3 - अपने contact list, LinkedIn connections या Instagram followers में से 20 people identify करें जो इस problem से genuinely struggle कर रहे हैं. - Direct Message: "Hey [Name], I just created a complete 1-page system to solve [Problem]. Wanted to give you early founder access for honest feedback." - Do not pitch aggressively—start a real conversation.	STAGE 4: TEST COMMUNITY VALUE SEEDING STAGE 4 - 2 active Reddit subreddits, Facebook groups, or Discord servers join करें. - 100% free high-value post share करें (Module 4 की 1 core insight summarize करें). - Zero spam links in post. If people ask in comments, reply with friendly DM link. - Earn community goodwill first; conversions follow naturally.	STAGE 5: RAPID FEEDBACK & CELEBRATION STAGE 5 - जब पहली sale आए, celebrate! The system works. - 48 hours बाद buyer को personally email या message करें: "Did you open Module 1? How is the worksheet helping?" - Unedited feedback collect करें—उनकी exact phrasing आपका best ad copy बनेगी. - 2-3 genuine quotes को landing page पर instantly add करें.	STAGE 6: REPEAT TO HIT 10 CUSTOMERS STAGE 6 - 1 sale fluke हो सकती है; 10 sales proof of market product-market fit हैं. - उस single channel को 10x करें जिसने पहली sale दी (Reels vs DMs vs Communities). - Optional: Run ₹300/day Meta test ad targeting your best hook. - 10 buyers complete होते ही price को regular tier (₹999) पर shift करें.
